

# ASUS TUF Gaming GT501VC

**Brand :** ASUS **Product code:** 90DC00A2-B09000

**Product name :** TUF Gaming GT501VC

- Designed to be noticed: Metal front panel with custom TUF Gaming spatter pattern, and 4mm-thick, smoked, tempered-glass side panel to showcase your build's internals
  - Space reserved: For both front- and top-mounted 360mm water-cooling radiators plus a 140mm radiator at the rear
  - Show off your build: Its shell is made of SGCC steel with durable fluorocarbon paint that provides stable protection for the components and the smoked style of the tempered glass inherits the restrained style of TUF Gaming GT501, allow gamers to better showcase their personalized build
- TUF Gaming GT501VC, 3x 2.5", 4x 2.5/3.5", USB 3.1, 3.5mm, ATX/micro ATX/Mini ITX/EATX, 251x545x552 mm, Black

| Design  |                                | Cooling                              |                        |
|---|--------------------------------|--------------------------------------|------------------------|
| Material  | Metal, SGCC                    | Number of front fans supported (max) | 3                      |
| Type *  | PC                             | Front fans diameters supported       | 120,140 mm             |
| Supported motherboard form factors *              | ATX, EATX, micro ATX, Mini-ITX | Number of rear fans supported (max)  | 1                      |
| Number of 3.5" bays *                             | 4                              | Rear fans diameters supported        | 120,140 mm             |
| Number of 2.5" bays                               | 3                              | Number of top fans supported (max)   | 3                      |
| Number of expansion slots                         | 7                              | Top fans diameters supported         | 120,140 mm             |
| Side window                                       | ✓                              | Liquid cooling capability            | ✓                      |
| Suitable for                                      | Gaming                         | Front radiator sizes supported       | 120,140,240,280,360 mm |
| Tempered glass panel(s)                           | ✓                              | Rear radiator sizes supported        | 120,140 mm             |
| Anti-dust filter                                  | ✓                              | Top radiator sizes supported         | 120,140,240,280,360 mm |
| Cable management                                  | ✓                              | Storage                              |                        |
| Reset button                                      | ✓                              | Supported HDD sizes *                | 2.5,3.5"               |
| On/off button                                     | ✓                              | Weight & dimensions                  |                        |
| Maximum CPU cooler height                         | 18 cm                          | Width                                | 251 mm                 |
| Maximum graphics card length                      | 42 cm                          | Depth                                | 545 mm                 |
| Maximum PSU length                                | 24 cm                          | Height                               | 552 mm                 |
