Confort léger. Son lourd.

Le casque HyperX CloudX Stinger™ est proposé sous licence officielle Xbox. Il est parfait pour les gamers Xbox One à la recherche de confort, de commodité, et d'une audio de qualité supérieure. Léger, il intègre la célèbre mousse à mémoire de forme HyperX pour un confort légendaire lors des sessions de jeu marathon. Les oreillettes pivotantes à 90° permettent au casque de reposer confortablement autour du cou pendant les pauses. Les transducteurs de 50 mm projettent un son de grande qualité et d'une précision chirurgicale qui vous maintient totalement dans le jeu. Et pour contribuer davantage au confort, la commande du son du casque s'opère via une glissière sur l'oreillette tandis que le micro à réduction de bruit se coupe par simple rotation.
